

NEWCASTLE ROYAL GRAMMAR SCHOOL

PAUL CAMPBELL – CO-OPTED GOVERNOR

PAUL CAMPBELL

I am an Old Novo, entrepreneur and musician, born and raised in North Shields.

On leaving RGS, I read English at New College, Oxford. I worked for the BBC as a Producer before founding a TV production company in 1989, and going on to start several digital media businesses.

I now run *Amazing Media*, which finds the world's best new music with its mix of online services, radio and a record label and won creative awards in all electronic media.

I played drums professionally from the age of eleven and still work with professional orchestras such as the Royal Northern Sinfonia, as well as playing jazz.

All three of my children have all been educated at RGS. I currently split my time living in the Tyne Valley and New York.

I am also a qualified ski instructor, have an honorary Doctorate and FRSA, and like trying to grow vegetables.
