THE SCHOOL

Tradition has it that the Royal Grammar School (RGS) was founded in 1545. The RGS continues to flourish today as the premier independent school in the North East of England and as one of the country's leading schools. We regularly lead all northern schools in national league tables and pride ourselves on academic excellence, a high level of pastoral support and involvement in a wide range of sports and other extra-curricular activities.

The RGS has grown substantially in recent years. There are now some 1,330 students, 269 of whom are in the Junior School. The Sixth Form of 350 students is one of the largest in the independent sector. In September 2001 we welcomed our first group of girls into the Sixth Form and girls have been represented in all year groups since 2008; overall, they now comprise 44% of the school.

The school is based in Jesmond, Newcastle and facilities in addition to classrooms and science laboratories include; a 25m swimming pool, two Sports Halls, a Performing Arts Centre, outdoor football/rugby pitches at Mooracres, an artificial turf pitch for hockey and the former County Cricket Ground in Osborne Avenue, which is just a short distance from the school.

In September 2019 phase three of our ambitious plans to upgrade our facilities was completed when our new state-of-the-art library building opened. The building also includes art studios, maths classrooms, a pastoral suite and an assembly space. Also in January 2020 the expanded and refurbished Sixth Form Centre opened

THE LEARNING SUPPORT DEPARTMENT

The department is a small team of three colleagues with a wealth of experience in independent, maintained, special and specialist schools or units. Our aim is to ensure that every student can enjoy success in and out of the classroom, regardless of the barriers they may face. LIVING IN THE NORTH EAST

Whilst the North East is beloved and popular with so many, we know that not everyone will have had first-hand experience of it, so this is a short introduction to a city and region which we love, and believe you will too. Newcastle is a medium-sized city with an historic centre and a vibrant life of its own. There's culture and arts in the form of the award-winning BALTIC Art Gallery and The Sage, alongside several theatres that attract national touring productions. There's music from classical to club and we are home to the Royal Northern Sinfonia.

There's also a growing food culture with some fantastic restaurants.

If you like sport then there's certainly no shortage of top class entertainment: from Premier League football being played at St James' Park and EFL at the Stadium of Light to first class cricket at Durham (a mere half hour away), and great rugby at the Falcons, not to mention basketball and even ice hockey, and then there is the annual Great North Run.

The North East has also produced some of the country's finest athletes in track and field and there are clubs aplenty to get involved with, most famously in Gateshead.

The coast and the hills are minutes away from the city centre. By car you can be in the middle of nowhere in 45 minutes, the Scottish Borders is only an hour away and the Lake District an hour and a half. The coast is served by the

Metro (our version of the Tube), but some of the country's best beaches are up the road in Northumberland, less than 40 minutes by car. There's mountain biking, road cycling, climbing, and endless hill walks in stunning countryside. There are green spaces all over the city too, with plenty of parks for children and dogs alike to run around.

There are three local teaching hospitals, two universities in the city with another three close by. Some pioneering medical work goes on at the RVI, Great North Children's Hospital and the Freeman Hospital.

History abounds with more castles than you could count and sites of interest for almost every period of English (and border) history. Add that to a proud, independently minded and very friendly local population and we have most things you could want.

There are some really excellent primary schools in the region and city as well as some good secondary schools too, but staff do get a discount at the RGS. There are also a number of good competitor independent schools as well.
