

NEWCASTLE ROYAL GRAMMAR SCHOOL

TONY MURPHY – CO-OPTED GOVERNOR

TONY MURPHY

I have extensive experience in the development and implementation of health, safety, environmental and quality management systems in various public and private sector businesses, including the Adult Learning Inspectorate, Ofsted and currently in the residential property sector.

I was previously with Grainger plc, the largest quoted residential landlord in the UK with headquarters in Newcastle, for some 10 years, where I was the Director of Health and Safety and provided Grainger with the necessary health and safety 'competent' person expertise and advised the management teams across the business on any health and safety issues.

I am also a Chartered Member of the Institute of Occupational Safety and Health and sit on advisory boards across the residential sector in health and safety management.

I live in Northumberland and enjoy watching all sports and particularly rugby. Now that playing rugby is a distant memory, I am now a Director of Ponteland Rugby Football Club where I am the President of the Club.
