Sorry folks – I was so confident that I'd got it right – but here is the definitive version.

Changes to gym clubs on Monday, Wednesday and Friday.

Please could any children attending gym club, please attend school in their PE kit that day.

Dr Spencer

Dear Parents,

Please find an updated autumn club list on the reverse of this letter. Please discard any previous copies, so that there is no confusion. Thank for your patience over the last week - there have been some gremlins in the system, but hopefully we are up and running now.

It has been wonderful to see the children engaging in the range of things on offer. Keep having those conversations at home about what they might want to get involved in.

Just a reminder for clubs that run after school, there are different arrangements for pick-ups.

- For classroom-based clubs – children will go to their late room. Please contact reception via the gate to alert us that you are here to collect.
- For sports clubs, including gym club - teachers will bring children to Zone 1 at the end of the club. We will match up children to parents. Those who have not been collected after 5 minutes or so, will be escorted to their late room.

Kind regards,

Dr A Spencer
