

WHAT A LOAD OF RUBBISH!

This bunch of wonderful children took it upon themselves to request a bin bag and some gloves and spend their lunch break clearing up litter. I am so proud of their 'self-starter' attitude and the pride they have taken in their school.

Superpowers in action!

BERNARD HELPS OUT

At the start of the Easter holidays, Bernard S (5C) took part in *The Great British Spring Clean 2022*, helping to clean Haydon Grange which is his local area.

He was surprised to discover what people are dropping on the ground - he even found an old TV!

Well done, Bernard - what a great act of kindness!

39TH NORTH EAST CHILDREN'S CANCER RUN Sunday 15th May 2022

It's not too late to register for the Children's Cancer Run on Sunday 15th May 2022 at Gosforth Park as online entries for the run will remain open until **Wednesday 11th May**.

Anyone signing up **after Monday 2nd May** will be asked to collect their pack from Newcastle Racecourse over the weekend of the run. There is also the option of 'On the Day' entries.

We have been allocated our usual run time of 10.30am and have been asked to park in Car Park A. The plan is to meet up at 10.15am for a group photo before heading off.

It's easy to sign up and you'll feel good both physically and spiritually if you do.

Here's the link to book your place(s):

<https://childrenscancernorth.org.uk/events/>

When you register, please remember to select the Royal Grammar School (Juniors) when asked if you are running for a school or running independently.

So, go on, take the plunge... you know you want to!

CLEO DEMONSTRATES BRAVERY!

Cleo B (3D) is just back from spending Easter in the Bahamas where she got up to all sorts including swimming with pigs, swimming in the ocean, feeding iguanas and becoming a mermaid for the day!

Cleo demonstrated so much bravery on this holiday, encouraging Mummy to go on lots of scary water slides.

She even swam with, and held, a shark! No fear here!

Cleo learnt it's far better to try something than regret not doing it and she encouraged her little sister to do the same.

Well done, Cleo!

MATHS PUZZLE OF THE WEEK

Last week's puzzle and solution:

Clock Puzzle

The Puzzle:

At midday the hour and minute hands of a clock sit on top of each other perfectly.

In a little over one hour they will again be on top of each other.

What is the exact time that happens?

Our Solution:

In a 12 hour period the hands are on top of each other 11 times.

And $\frac{1}{11}$ th of 12 hours is 1.0909... hours, which is 1 hour, 5 minutes and 27.27... seconds.

Which is **1:05:27** (to nearest second)

This week's puzzle:

Maths Riddle

A duck was given £9, a spider was given £36, a bee was given £27. Based on this information, how much money would be given to a cat?

Please submit your answer, along with any of your own, real-life puzzles (and answers!), to me:

t.lloyd@rgs.newcastle.sch.uk

Thank you.
